

# Securicraft®

## Thinking in Colour Made in NZ

ASSA ABLOY offers an extensive range of colour finishes in a variety of hardware and locking solutions including the popular New Zealand made Securicraft window bolt range. Available by special order and in trade packs only, our hardware and lockable bolts can be matched to your existing colour scheme or window framing, creating a universal look throughout your home. Start thinking in colour today with ASSA ABLOY.

Securicraft window and door lock products are also compatible with our successful One Key Security system to combine security with convenience.
