

Sliding Door Closer

LOCKWOOD

ASSA ABLOY

Think Pool Safety This Summer

With summer nearly here, ASSA ABLOY can help in making your pool area safe with the innovative Lockwood Sliding Door Closer. The closer not only offers a modern design but when used with a suitable self latching device (included with purchase) it also complies with The Fencing of Swimming Pools Act 1987. This means the home owner can have safety with outdoor flow, without the hassle of a fence between the house and the swimming pool.

- Hydraulically controlled with adjustable closing and latching speeds
- Can be installed on new doors or retrofitted to most existing doors
- Designed for easy installation and is available in the popular millennium silver finish
