

# Inspect and Re-Lock with Lockwood

LOCKWOOD

ASSA ABLOY

ASSA ABLOY are adding to their already comprehensive range of Lockwood handy padlocks with an August release of the 155/30, Travel Sentry™ Approved (TSA) padlock. This TSA certified lock features a special identification mark that alerts Transport Security Administration personnel that they may open this lock without destroying it and can then secure your bag again after checking it. In the current climate of increased terrorist alerts, a TSA lock is essential for securing your luggage for travel all around the world.

## 3-Dial Combination Lock:

- Allows Transport Security Administration screeners to inspect and relock baggage without damaging the lock
- Easily resettable combination enables you to use a combination that you will not forget
- Essential for international travel
- Solid zinc metal case
- Finished in matte black
